CLARKSVILLE, TN – On Aug. 12, Manna Cafe Ministries was named a finalist in the 2025 **.ORG Impact Awards** by **Public Interest Registry (PIR)**, the people behind the .ORG domain. The .ORG Impact Awards recognize outstanding mission-driven individuals and organizations from around the world for their positive contributions to society.

All finalists will receive donations of \$2,500. Manna Cafe will also be invited to Washington, D.C. for a celebration that includes opportunities to meet with other nonprofit leaders and culminates with the final award ceremony on Oct. 7.

“The .ORG Impact Awards continues to be one of the most meaningful initiatives we look forward to all year, and I’m honored to welcome the extraordinary 2025 finalists to our global .ORG Community. These finalists represent the very best of our community – their dedication and impact embody the very spirit of the .ORG domain,” said Jon Nevett, President and CEO of Public Interest Registry.

Manna Cate is a finalist in the Hunger and Poverty category for its work. Since 2010, Manna Cafe Ministries has been a lifeline to individuals and families in crisis throughout Clarksville and beyond. Serving thousands each month, Manna provides compassionate support through grocery distribution, hot meals, mobile pantries, casework, and community outreach.

“We’re thankful to Pubic Interest Registry and honored to be a finalist of this award,” said Vicki York, CEO and co-founder of Manna Cafe Ministries. “With so many deserving submissions, it’s humbling to be recognized among organizations making a difference. If we win, the funds will go directory toward feeding our neighbors in need; every dollar will help us carry out our mission of putting healthy food on the tables of families right here in our community.”
